1. Ljubic is located near Cacak on the Cacak-Lajkovac railroad, and is an auxiliary switching station for Cacak. The railroad workshop is located to the left of the railroad station, and in it cars and locomotives are repaired. It likewise has a fuel and service station.
2. The workshop, which was undamaged during World War II, employs approximately 350 workers who are largely from Cacak and vicinity. Engineer Mladen Dostanovic is in charge of the workshop and is assisted by another engineer and a political commissar.
